Jeff Goble, PGA

Brian Cairns, PGA

Join the Award Winners for a Stay-Learn-Play Experience, at the spectacular Forest Dunes!

Jordan Young, Jeff Goble and Brian Cairns have teamed up with one of the top locations in the country to create a golf getaway for students to focus 100% on their golf game, and have some fun! Forest Dunes is spectacular for golf!

Immaculate conditioning, fast greens and an intriguing layout for players of all ability levels make Forest Dunes one of the nation's best public tracks. Annually ranked in the top 25 nationally by all the major golf publications, Forest Dunes was designed by accomplished architect Tom Weiskopf. The former British Open champion carved out two distinct nines – the front weaving through the northern Michigan forest, while the back canvases glacier sand deposits and native wasteland.

Your "Bucket List" experience at Forest Dunes is purely a golf one. You won't find a pool or spa here, just 54 memorable golf holes cut through the northern Michigan forest. Some say we are in the middle of nowhere, but that's what we like about it. You are able to escape and experience small town hospitality in our three different types of lodging accommodations and exquisite restaurant. Guests staying in the lodge sleep just 35 yards from the first tee.

Renowned golf course architect Tom Doak has golfers turned around in northern Michigan...both literally and figuratively. Doak and the team at Renaissance Golf Design have laid out a "reversible" golf course called The Loop. See the MGL video below about The LOOP at Forest Dunes! https://www.youtube.com/watch?time_continue=78&v=jn--zY1XgYM
