JORDAN YOUNG GOLF

Jordan Young, Jeff Goble, Brian Cairns and Top50 Junior Tour Director, Dan Thomas has joined forces at one of the top locations in the country to create a golf getaway for junior players and their families. Students can focus 100% on their golf game, and have some fun! Treetops Resort is a golf destination and the home of the Midwest Junior Golf Championship presented by the Top50 Junior Tour!

Juniors will get access to morning instruction and afternoon golf with the professional staff. The design is to provide an experience for both non tournament and tournament players. Tournament players will be grouped together and non-tournament players will be grouped together. This will be a family experience at the Treetops Resort! We hope that all Top50 Junior Tour Midwest Championship participants will attend and in turn, we hope that students attending the school will enter to tournament at the end of the week!

Immaculate conditioning, fast greens and an intriguing layout for players of all ability levels make Treetops one of the nation's best resorts. Treetops has been nationally recognized for decades — The first notable piece of publicity being ESPN's Par-3 Shootout in 2001 on, you guessed it, Treetops. Lee Trevino took the trophy, one million dollars, and lots of bragging rights. Golf legends Jack Nicklaus, Ray Floyd, and Phil Mickelson weren't too happy about losing though. From a 179-acre blip on the radar, to a 3,300-acre locale that hosts the 5 Wonders of Michigan, Treetops Resort has undeniable charm, and if you don't agree, well, it's okay to have wrong opinions.
