2020 - ACCOUNT MANAGEMENT 101

This document is designed to simplify your account management process, your scheduling and booking online with Jordan Young Golf. **I suggest using the same email and password for all of your accounts!** There are several accounts used for our students, they are listed below;

- **Smarter Lessons Account**
Purpose - Used for booking ALL Private or JTT/ATT Private Lessons with Jordan Young
Automatic confirmations occur when booking and reminder emails are sent prior to lesson
Found at www.jordanyounggolf.com, click BOOK NOW and click the PRIVATE LESSON photo
ATT/JTT Private Lessons can be booked here as JTT/ATT Private or TBD in dropdown menu
FORGOT LOGIN – Use correct student name, email for account, scroll down for green LOGIN box
- **JTT/ATT Group Lesson account**
Purpose - Used to book all your group ATT/JTT sessions, iPhone can cause some technical issues
This is a live sign up area and you can see all students listed in each class, best on PC or iPad
There are NO CONFIRMATIONS, except a friendly reminder email from myself at times
Found at www.jordanyounggolf.com, click BOOK NOW and click ATT or JTT SCHEDULING photo
FORGOT LOGIN - Go to the login page and click “reset password”, it will ask for an email address
You will be sent an email from “no-reply@groupscheduling.net” with a password reset link
- **V1 Lesson Locker Account**
Purpose - Used to view your lesson videos in studio
This video also arrives on your phone as a text message for your viewing needs
You may also login online by visiting www.jordanyounggolf.com, see steps below....
Under INSTRUCTIONAL SERVICES, look for LESSON LOCKER in drop down menu
Sign into your LESSON LOCKER with the student email provided during your first lesson
Your password was set up initially as “PASSWORD”
- **COACH NOW Account**
Purpose - Used to communicate using text, photos or videos with your coach while on the go!
Accept your email invitation to join your “TRAINING SPACE”, a space for all your golf info!
Once accepted, student and coach can communicate, provide support from anywhere.
